SPECIAL FILMING CONDITIONS LADERA HEIGHTS

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Ladera Heights is a community of attractive single family homes and apartments located in unincorporated Los Angeles County (90056). It is bounded by Wooster Avenue on the west, Stocker Avenue on the north, LaBrea Avenue on the east and La Tijera Boulevard on the south. The neighborhood has become a popular area for location filming and the following conditions have been established to help mitigate the concerns of local residents.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Notification will be done by FilmL.A. Staff. Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Production companies must also contact the Ladera Heights Civic Association (LHCA) representative, Dr. Allan Boodnik (310) 337-7200** at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless affected residents (generally those within 300' of the filming activities and/or equipment parking) are surveyed to identify neighborhood concerns and approval is obtained from FilmL.A. The approved times must be indicated on the permit.
- **Weekend or holiday filming is generally prohibited unless a community survey is done of affected residents and approved by FilmL.A.**
- **Parking of production equipment is limited to one side of the street.** Film company vehicles shall not interfere with mail/package delivery, gardeners' activities, trash pick-up, safe use of streets or access to resident driveways, unless approved by the affected residents. *In some instances, it may be necessary for companies to post both sides of the street to maintain proper access for emergency vehicles and area residents.*
- **Cast and crew may not park on area streets.** Off-site parking must be provided.
- **Prep and Strike days must be included on the permit and may not take place on weekends unless a Filming Survey of affected residents is done and approved by FilmL.A.**
- **Craft services, catering trucks, food preparation and dining tables are prohibited on sidewalks, driveways and/or parkways, and must be kept out of public view.**
- **Generators with proper exhaust and noise shields shall be parked only in front of those homes that have approved this activity.**
- **Residents and film crew members must treat one another with respect and consideration.** (See the Filmmakers' Code of Professional Responsibility attached to the permit.)
- **Trash and refuse must be removed from the area immediately after filming activities are completed.**
- **The LHCA will not become involved in any payment arrangements between permit holders and residents.**
- **Should a resident encounter a problem, s/he should immediately contact FilmL.A., Inc., (213) 977-8600, and/or the CHP Officer/Sheriff on duty at the site. Do not direct questions to the LHCA.**
